Writing Test

Shorter Task

and

Spelling Test

Shorter Task: Your teacher will read through this section with you.

You will have **20 minutes** to write your shorter piece of writing in this booklet.

Spelling Test: Your teacher will read through this section with you.

First Name

Last Name

School

It's my favourite meal

Think about your favourite meal.

What do you like about it?

How would you describe it to someone who has never tasted it?

Think of its appearance, how it smells and what it tastes like.

Think about what makes the meal special.

**Your task is to write a description of your favourite meal
for someone who has never tasted it.**

PLANNING

Favourite meal: _____

Words and phrases to describe the food

(think about different senses: appearance, taste and smell):

[Blank page]

Spelling Test

Do not turn over this page until your teacher tells you to.

Bacteria

The importance of _____ their hands
_____ a meal is emphasised to small children
as a way of keeping _____. But do you ever
think about germs and _____ ? It is true that
some bacteria, and other micro-organisms, can cause
_____ problems, but most bacteria are not
especially harmful. In fact, without bacteria, there would be
no life on Earth as we know it.

Bacteria that live in soil break down, or decompose, the
remains of dead plants and animal _____.
In the _____, the bacteria make
_____ substances
_____ to be used by living plants as they
grow. These pass to the animals that eat the plants. Of
course the bacteria do not do this to be helpful; it is just the
way they obtain the energy they need to
_____.
